Fitness Center Member_____ Monthly Average Dues $_____

Member Initials:

_____ A. I understand each adult must work out at the fitness facility named above eight **(8)** to twelve **(12)** days per calendar month to receive the up to $20 credit. I also understand my workout must happen inside the facility and/or within that facility's supervised programming. Only 1 workout per day is counted.

_____ B. I understand there will be a period of time between the completed month and the applied credit. Example: work out **12** days in January, verified in February, credit applied to account by the end of February.

_____ C. I understand I may earn no more than one credit of up to $20 per month per health club membership, whether it's a family, couple or single membership. If a couple has two single health club memberships, both are eligible for a credit up to $20, provided both are Medica members. In this case, there is a limit of two credits up to $20 each per month.

_____ D. I understand the reimbursements issued cannot exceed the total monthly membership for the month the credit is applied. If monthly dues are less than $20, you'll receive credit for the amount of your dues.

_____ E. I understand that canceling my membership will result in forfeiture of any unapplied credits.

_____ F. I understand that it is my responsibility to ensure that my visit is recorded at the time of my workout.
